Based in Aventura Florida, Armadi Closets manufactures high-end storage solutions, following the most competitive standards of quality, while using state-of-the-art technology. Inspired by Italian craftsmanship, thoughtfully designed to match today's lifestyle and needs, we maximize every inch of valuable space.

Armadi Closets has been operating for more than 35 years, and is rapidly growing in South Florida, where it has already developed an excellent working relationship with the market. Following a path of innovation and quick response to clients' needs, Armadi Closets is now a recognized brand in South Florida, leading the market in custom-crafted storage solutions.

An innovative and functional design approach transforms simple closets into outstanding storage solutions where you can go from basic or traditional, to contemporary, or casual. We have a team of qualified designers and skilled craftsmen who take pride in the product.

Our company sells and installs closets through its own locations and distributors. There is a huge interest in distributorships of Armadi Closets in the United States; and so far, there are Armadi Stores operating in Aventura, Fort Lauderdale, North Miami Beach, Downtown Miami, Boynton Beach, Vero Beach, and locations in San Diego, California, and New Jersey. We also have distributions in the Caribbean, Central and South America, in Santo Domingo, Venezuela, Puerto Rico, El Salvador, Guatemala, Nicaragua, and Argentina.

Armadi Closets has developed strategic alliances with a lot of other related companies. We are a proud sponsor of the Florida Panthers, and we have a permanent showroom at the Bank Atlantic Center in Sunrise, FL.

To build a strong corporate image, Armadi Closets consistently advertises in recognized trade and consumer magazines such as: Aventura Magazine, FloridaSourcebook, Florida Design, Go Riverwalk, Home Fort Lauderdale, Unrestricted (Bank Atlantic Center custom publication), and the Blue Print Directory.

In 2005, to respond to the demand of Florida's booming real estate market, we opened our New Development Division, where we teamed up with developers and contractors in order to give every project a unique and distinctive approach. Armadi Closets is a young company that has positioned itself rapidly in South Florida, understanding the needs of the market, while at the same time, offering a competitive and distinctive product, at excellent prices.

However we are looking for the support from other businesses in the community to help us be a part of the growth as well as to serve in the growth of other businesses. Armadi Closets is excited to be a part of the community, and is looking forward to our continued growth and success.

We work and dream closets, and we want to share our passion with you.
