Armadi Closets is a company with more than 35 years in the market, and proud to introduce to you a new line of door systems for closets that will make your projects exceptionally easy to accomplish.

INDECO is the leader in the European market for manufacturing closet door systems; Armadi Closets is pleased to announce that we are the local distributors for their products in America.

Armadi Closets offers a wide range of solutions for your customers. We are able to customize the needs of your projects, from a small apartment in Chicago to the highest skyscraper in Manhattan.

We carry the only system that allows you to work with just one profile and lets you build more than ten different types of doors in aluminum, steel or a combination of both:

1. H100 Hybrid bottom roller sliding doors system
2. A100 Bottom roller sliding doors system
3. A200 Bottom roller slant sliding doors system
4. A300 Top roller sliding doors system
5. A400 Top and bottom roller sliding doors system
6. A500 walk-through sliding doors without threshold system
7. A600 Pivoted doors system
8. A600*plus Pivoted doors system (with top track for by fold & sliding)
9. A700 Pivoted doors system (with thin aluminum strips)
10. A800 Folding doors without threshold system

Our team of experts is available to help you choose the products that best fit your needs.

Doors

*Lightness
& Slim lines*

Natural aluminum trimming, frosted glass and a wide variety of wood veneers and melamine, are blended into smooth sliding panels.

Colorful CHOICES

Character & style playing with colorful alternatives in vinyl and glass, or vinyl and melamine

Kids

Transform a dull unattended
space giving it a sophisticated look
with frosted glass, natural
aluminum and black vinyl.
Ergonomic Design

Glass Harmony

Modern design provides an excellent background to non-standard solutions—transparent folding doors emphasize the charm of a contemporary office.

Bi-fold

Frosted glass panel doors partially conceal the composition of shelves and drawers.
